

MOLECULES AND MEMBRANES: THE SHAPE OF THINGS TO COME

A symposium to honour Peter Timmins' and Roland May's life-long contributions to Small Angle Neutron Scattering and Structural Biology

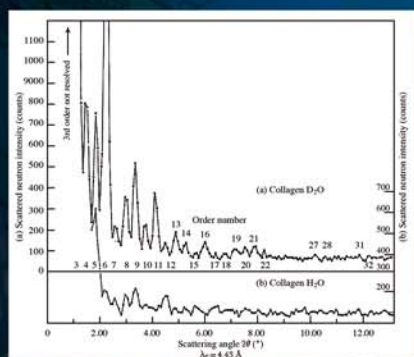

**Institut Laue-Langevin
20th January 2010**

Speakers :

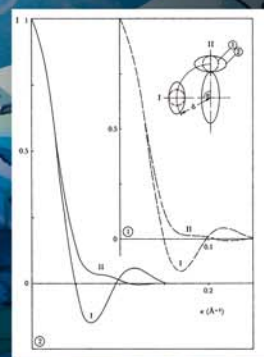

Olwyn Byron
Otto Glatter
Stephan Grage
Hermann Heumann
Kees de Kruijff
Jayne Lawrence
Knud Nierhaus
Eva Pebay-Peyroula
Jean-Luc Popot
Manfred Roesle
Dmitri Svergun
Wolfram Welte

Organisers : Giuseppe Zaccai, Andrew Harrison

Secretary : Karine Sultan
E-mail : mam2010@ill.eu

Neutron scattering by collagen

Label triangulation method

Web-page : www.ill.eu/news-events/events/mam2010/

Application deadline: 30th November 2009
