

Frontiers of Membrane Protein Structure

Monday, January 19, 2009

ILL Chadwick Amphitheatre

Polygone Scientifique

14:00 - 15:00 Prof. Joao Morais-Cabral

*Instituto de Biologia Molecular e Celular
IBMC Porto, Portugal*

'Structural studies of the potassium channel'

15:00 - 16:00 Prof. Kaspar Locher

*Swiss Federal Institute of Technology ETH
Zurich, Switzerland*

**'Structural and mechanistic studies of
ABC transporter proteins'**

** Refreshments will be served after the talks **

Hosted by: Eva Pebay-Peyroula, IBS
Imre Berger, EMBL
